

Montana's Healthcare Programs NPI Enrollment (for participation after September 30, 2007)

Thank you for choosing to enroll as a Montana Medicaid, CHIP Dental or Extended Mental Health and/or MHSP provider. All applicable sections of the provider enrollment form must be completed in order for us to process your application. The 4-digit ZIP code extension is required on all addresses. **Incomplete applications will not be processed.**

Complete all sections of this application unless otherwise indicated. Original signatures are required. Copied or stamped signatures are not acceptable.

Sign and return this application along with any additional required documents to:

Montana Provider Relations
P.O. Box 4936
Helena, MT 59604

Your application will not be processed until this information is received via mail.

PASSPORT reenrollment is **not** required.

Clinics and groups may now enroll in Montana's Healthcare Programs. Rendering providers are required to be enrolled and indicated on the claim. Individuals must only enroll one time, regardless of the number of locations in which they practice, with the exception of enrolling to provide waiver services. Participation in the waiver program requires separate enrollment.

If you have any questions regarding information required on the enrollment application, you may contact Provider Relations by calling 1-800-624-3958 or 406-442-1837 or sending an e-mail to mtprhelpdesk@acs-inc.com. Applicants who wish to change information on a submitted application or for an existing provider must contact Provider Relations directly.

Health care providers participating on and after October 1, 2007, must obtain and use a National Provider Identifier (NPI) for all transactions and claims. This requirement applies to all transactions and claims received on and after October 1, 2007. This is a federal mandate. More information is available at www.cms.gov. Do not bill using your National Provider Identifier (NPI) number until October 1, 2007.
